

# XLR Connectors

## XLR IP65 Connectors

# PART NUMBER BREAKDOWN

## CHASSIS CONNECTORS

E. G. **AXS3MP1V**  
**AXS** (Series Prefix), **3** contacts, **Male**, **P1** (Thermoplastic 1.5mm to 2mm (Rear Mounting)), **V** (Vertical Mount- PCB Thru Hole)

|                                |                     |   |  |
|--------------------------------|---------------------|---|--|
| <b>SERIES PREFIX</b>           | AXS                 | = | Sealed IP65 with cap                       |
|                                | AXP                 | = | Sealed IP65 no cap                         |
| <b>CONTACT LAYOUTS</b>         | 3                   | = | 3 Contacts                                 |
|                                | 4                   | = | 4 Contacts                                 |
